

REACH – Customer Notification Letter

Company Wagner GmbH & Co.KG, in terms of the regulation mentioned above, is deemed to be a „manufacturer“ or a „downstream user“ for the purposes of the REACH Regulation.

In this definition the Enterprise Wagner GmbH & Co.KG has no registration requirement according to REACH.

The products you receive from us might contain chemical substances which have to be registered. This is the obligation only of our suppliers.

On behalf of our company and for the warranty of a high product safety we strictly follow the REACH regulations.

We have tight contact to our suppliers. They have been encouraged to provide our company with information concerning alarming substances for all their products according to article 33 if exceed more than 0,1% mass percent. If we will receive this information from our supplier we are liable to inform our customers.

This notification relates only to the present state of knowledge. It is based on information provided by our suppliers.

For factors that are beyond our knowledge and control, we take no guarantee or liability.
